

Dear Ackerson Lake Property Owners:

Effective: 1-1-2022

The Jackson County Outdoor Club will not be mailing letters regarding the use of the Clubs boat launch to the property owners this year. We are using social media, emails, and Facebook pages to reach the property owners. **The cost is \$25 for the first watercraft, and \$10 for each additional watercraft.** If you wish to launch your watercraft(s) from the Jackson County Outdoor Club, please fill out and **return the slip below with a check made payable to the Jackson County Outdoor Club in the appropriate amount of money. It would be appreciated if the form and payment were sent in before April 21, 2022.** If you store your watercraft(s) at a local marina, and if it launches them for you, it is important that the stickers are permanently attached to the craft before they are launched. JCOC will be monitoring for compliance. If you are aware of a neighbor who does not use social media, or does not have an email address, please let them know of our new procedure and ask them to please contact Randy Vaira, at (517) 783-6191, and he will send them a letter.

A watercraft sticker is required for boats and any other watercraft launched at the JCOC boat launch. The sticker **must** be affixed to the right side of the watercraft. When launching a watercraft you may be asked for proof of residency. **The stickers are available only to lake property owners.** Abuse, failure to purchase stickers, and not affixing permanently to the watercraft, could result in the loss of your launch privileges and closure of the watercraft launch.

For those who may be interested in becoming a member of JCOC, our membership dues are as follows:

Individual \$145; Senior individual \$70; Family \$160; Senior Family (62+) \$85. For individuals and family memberships, if you volunteer for 15 hours throughout the year, it cuts your dues by almost half. For Senior individual and senior family, and with only four hours of volunteer time, it will cut your dues by \$20. Please contact our website for an application or more information.

We look forward to another enjoyable boating season on Ackerson Lake. If you have any questions, or comments, please email them to jacksoncountyoutdoorclub3550@gmail.com.
